

Dear Mr Fullenmann

I couldn't do my homework so I'm
writing to you to say I'm very sorry
Let me explain, It's amazing! I
Went to the library. I was reading
the biography of Elizabeth II when
suddenly a ghost came out of my book!
I was extremely scared. I had to leave
the library but longer today it's closed.
I promise, I will be good and I'm very

sorry.

Tom Gates.
