

HALLOWEEN

Next to a small small road,
There're on old old school.
In the old old school,
There's a big big canteen.
In the big big canteen,
There's a brown brown shelf.
On the brown brown shelf,
There's a rusty rusty microwave.
In the rusty rusty microwave,
There's a broken broken plate
On the broken broken plate,
I can see dead dead bats.
