

In a mysterious mysterious wood...
In a mysterious mysterious wood,
I can see a calm calm river.
On the calm calm river,
There's a dark dark houseboat.
In the dark dark houseboat,
There's a broken broken fireplace.
On the broken broken fireplace,
There's a red red stocking.

In the red red stocking,
There's an old old Christmas toy,
Among the old old Christmas toys,
There's a cute cute baby wolf
