

In a small small city

In a small small city
There's a beautiful beautiful house

Behind the beautiful beautiful house,
There's a big big garden.

In the big big garden,

There's a high high tree house.

In the high high tree house,

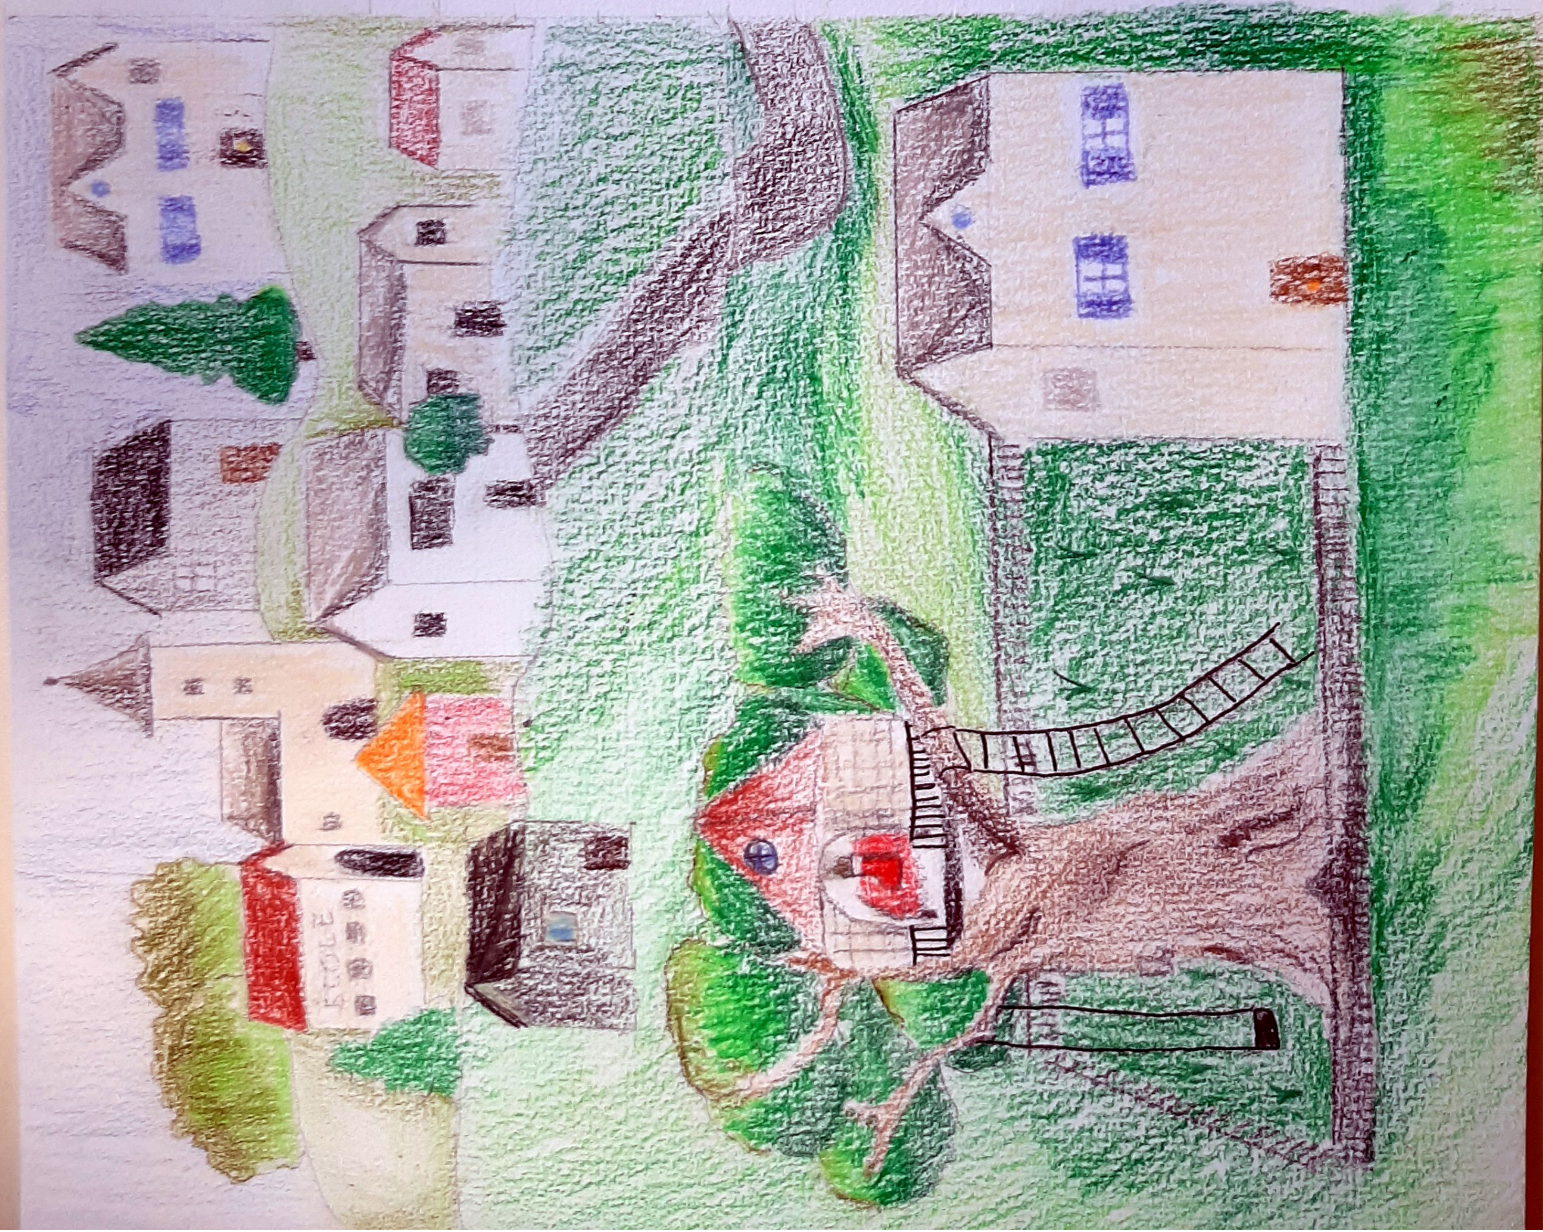

There's a decorated decorated table.

On the decorated decorated table,

There's a red red stocking.

In the red red stocking,

There's delicious delicious chocolate
