In the cold cold North Pole!

In the cold cold North Pole!
There's a pretty pretty village.
In the pretty pretty village!
There's a white white cottage.
In the white white cottage!
There's a small small garage.
In the small small garage!
There's old old Father Christmas.
Next to old old Father Christmas,
There're brown brown reindeers.
Behind the brown brown reindeers,
There's a red red sleigh.
On the red red sleigh!
There're big big presents.
In a big big present!
I can see cute puppies and pretty kittens.

The end!
