

In a big big wood

In a big big wood,

There's a small small
tree house

In the small small tree house,

There's a dark dark living-room

In the dark dark living-room,

There's a haunted haunted fireplace

Next to the haunted haunted fireplace,

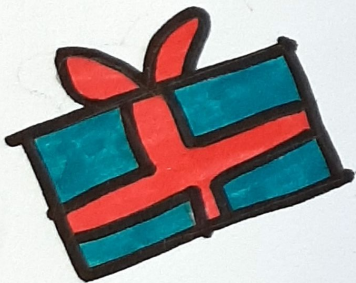

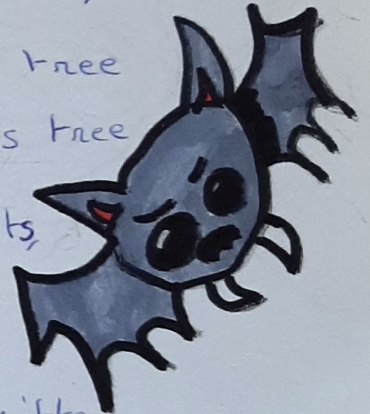

There's an old old christmas tree

Under the old old christmas tree

There're red red presents,

In a red red present,

There's a cute cute kitten

THE END!
